## **Chef's Taste**

### **The Fresh Potato Range from Linwood Crops**

Working with renowned Chefs, Linwood has developed a FULL range of Potatoes that are specifically grown and conditioned to offer superior TASTE - They are selected for purpose; this means they have the optimum levels of starch, sugar and dry matters, best suited for their intended dish - whether that is a Crispy Roast or a tender Skin-on Salad potato.

The range's fully recyclable packaging's distinct colours are coded for each purpose, making selection and stock management easy whether they are being used by World class Chefs in World famous restaurant kitchens, or in-home kitchens throughout the nation. The Linwood Team and Chefs have made the selection for you - In so doing:

**"You are assured of consistency and the best available taste on any day and season round!"**

We pack Fresh daily to order from Linwood's dedicated BRC accredited AA Potato facility  
On request, we can offer mixed Purpose pallets to keep your stocks FRESH

**Order Today - 01354 707860**

"Unless specifically requested, we don't sell by variety, we sell by TASTE and PURPOSE - Experience has taught us that great Taste does not come down to just the variety, but how the potato performs at different times of the season"

**If it's not a Chef's Taste Potato - It's just a Potato...**
